

CHRA Relationship Manager List

Your Relationship Manager is your primary point of contact once you are a registered CHP. They are responsible for completing your Annual Regulatory Assessment Report, reviewing Change and Disclosure notices, and interacting with you through regular meetings and in response to issues as they arise.

They are there to support your continued compliance with the performance standards and will meet with you throughout the year to discuss any issues. If you have any questions about the Regulatory framework, your Annual Regulatory Report or any other matter about your ongoing compliance, they are happy to help, and advise, where appropriate.

When contacting your relationship Manager please copy your email to our main email address - chra@hud.govt.nz. This will assist in our responsiveness to you, especially when people are away.
